

$$F = (T \times K \times |A|)^\infty$$

F: Faith (a real world definition)

T: Trust (based on past experiences, God's fulfilled promises, evidences from creation) Psalm 40:4-5

K: Knowledge (from learning God's Word, sound doctrine, the wise counsel of others) Proverbs 3:13-22

A: Actions (revealing our faith by acting it out) James 2:14-24

| |: Whether positive or negative actions, **actions** build and increase our faith:

+ Positively by acting even when our emotions don't match - "stepping out" in dependence on God

- Negatively by "not" doing what our fallen nature desires - "obedience" in the face of temptation

∞: Infinite Holy Spirit is responsible for animating and endowing us with life John 6:63
