Principle #1: God is the sovereign Ruler of the universe, so we can trust His plans will not be hindered by the actions of evil men or principalities.

“The Story of Esther” produced and directed by God

5. Main principles of the Book of Esther

Principle #1: God is the sovereign Ruler of the universe, so we can trust His plans will not be hindered by the actions of evil men or principalities.

Principle #2: It is not a coincidence when God uses imperfect people, like you and me, to carry out His perfect plan of salvation.
